

## District Injured Support Coordinators & Field Support Representatives

District Injured Support Coordinators (DISCs) and Field Support Representatives (FSRs) are an integral part of the Wounded Warrior Regiment's (WWR) support structure. They act as a conduit to Marine Corps, Veterans Affairs (VA), and civilian resources for Marines recovering away from a military installation or transitioning to veteran status. DISCs are Marine reservists and FSRs are contract support geographically dispersed to provide assistance and community liaison where needed.

**The goal of DISCs and FSRs is to return well adjusted wounded, ill, or injured (WII) Marine veterans to their communities with the knowledge and skills to self-advocate and assist other WII Marines.**

### What Services do DISCs and FSRs offer?

- Outreach through calls or face-to-face contact with WII Marines and their families requiring assistance.
- Assistance with accessing VA and community resources.
- Facilitate veteran medical care through VA patient advocates or OIF/OEF Coordinators.
- Information on family and caregiver support services (i.e. respite care, scholarship opportunities, counseling support).
- Access to education and employment resources in their local communities (i.e. resume development, interview skills, network/employment opportunities, and application completion).
- Support in working with representatives from medical facilities, the VA, legal authorities, businesses, and non-profit organizations.
- Immediate access to the WWR's medical section and VA for psychological health resources and support, including referrals to local resources to ensure WII Marines receive timely and appropriate care.

### Who They Support

- Marines transitioning to veteran status
- Reserve Marines
- Marines recovering in remote locations away from military or federal resources
- TDRL/PDRL Marines

### Where They are Located

DISCs and FSRs are geographically dispersed across the country and are generally collocated with VA-operated medical centers, vet centers, and outpatient clinics offering primary and specialized care.
